

DECLARATION OF CONFORMITY

CPD-DC-GFIX-LEATHER-01

We:

GRANORTE - Revestimentos de Cortiça, Lda.
Av. Santiago, 68
4524-907 Rio Meão
Portugal
Telephone: +351 256783026 | Fax: +351 256781562 | www.ganorte.pt

Declare that the product (or family of products):

Recycled leather floor panels for loose laying – GFIX Leather Floating Floor

To which this declaration relates, is in conformity with the essential requirements and provisions of the Council Directive 89/106/EEC when installed in accordance with the installation instructions contained in the product documentation.

Provisions to which the product/family of products conforms:

EN 14041 - *Resilient, textiles and laminate floor coverings - Essential characteristics.*
EN 14085 - *Resilient floor coverings - Specification for floor panels for loose laying.*
Cork surface layer:
EN 12103 - *Resilient floor coverings - Agglomerated cork underlays - Specification.*

Classification of the surface layer of floor panels shall be in accordance with the scheme established in EN 685 - *Resilient, textile and laminate floor coverings - Classification.*
Performance requirements and detailed characteristics are stated on the Technical Specification of the product/family of products.

Product description:

Panels consisting of a compact high-density fibreboard layer, a bonded surface layer of recycled leather floor covering and a back layer of soft agglomerated cork. The panels are intended to be used as an interior floor covering in areas which are not subject to frequent wetting or rooms which do not require wet cleaning.

Conditions and period of validity:

This Declaration of Conformity remains valid as long as the *FPC* or the *Technical Specification* of the product is not modified significantly.

Rio Meão, 18 February 2009

Paulo Rocha
